PROPERTY SUMMARY

The Corner @ Nob Hill is an existing 6,300 SF historic office building that the owners have big plans to bring some retail amenities to the corner of Silver & Amherst. The building is proposed to be broken up into three individual suites that ideally can be leased by a coffee shop/cafe, brewery, distillery, restaurant, fitness user or a retail shop. The redevelopment is slated to be completed in approximately 6-8 months from commencement and tenants have the opportunity now to pre-lease their space in addition to giving input on patio opportunities, installing garage doors and interior finishes. The developer plans to deliver in grey shell condition with two restrooms, bare concrete floors, walls ready to paint, utilities stubbed in to the space and a suite ready for tenant's ideal layout.
